

Mr. Karan Gupta

AI Engineer

karan.gupta@email.com | +91-9876543204 | Delhi, India

PROFESSIONAL SUMMARY

Passionate AI Engineer specializing in deep learning, NLP, and computer vision. Experience in building intelligent systems for fintech and healthcare domains.

EXPERIENCE

Senior AI Engineer

FinAI Technologies

2023-2025

- Built fraud detection models with 98% accuracy using ensemble methods
- Developed NLP pipelines for document processing and analysis
- Implemented real-time inference systems using FastAPI and Redis

AI Research Engineer

HealthTech Labs

2021-2023

- Created medical image analysis models using CNNs
- Published 3 research papers in AI conferences
- Collaborated with medical professionals for model validation

EDUCATION

PhD Computer Science (AI), IIT Delhi (2021)

TECHNICAL SKILLS

Python, TensorFlow, Keras, OpenCV, NLTK, Scikit-learn, FastAPI, Redis
