

Mr. Pradeep Joshi

AI Engineer

pradeep.joshi@email.com | +91-9876543210 | Jaipur, India

PROFESSIONAL SUMMARY

AI Engineer specializing in computer vision and autonomous systems. Experience in building AI solutions for automotive and robotics industries.

EXPERIENCE

Computer Vision Engineer

AutoVision Systems

2022-2025

- Developed object detection models for autonomous vehicles
- Implemented real-time video processing pipelines
- Worked on SLAM algorithms for robot navigation

AI Engineer

RoboTech Labs

2020-2022

- Built facial recognition systems using deep learning
- Optimized models for real-time inference on embedded devices
- Conducted experiments with GANs for data augmentation

EDUCATION

MTech Robotics, IIT Jodhpur (2020)

TECHNICAL SKILLS

Python, OpenCV, TensorFlow, PyTorch, YOLO, GANs, ROS, C++, CUDA
