

Mr. Vikram Singh

AI Engineer

vikram.singh@email.com | +91-9876543202 | Bengaluru, India

PROFESSIONAL SUMMARY

AI Engineer with 3+ years of experience in machine learning, natural language processing, and computer vision. Expertise in building production-ready AI models and MLOps pipelines.

EXPERIENCE

AI Engineer

AI Innovations Lab

2023-2025

- Developed LLM-based chatbots using LangChain and OpenAI APIs
- Built computer vision models achieving 95% accuracy for object detection
- Implemented MLOps pipelines using MLflow and Kubernetes

Machine Learning Engineer

DataTech Solutions

2022-2023

- Created recommendation systems using collaborative filtering
- Deployed models on AWS SageMaker and monitored performance
- Worked with cross-functional teams to integrate ML models

EDUCATION

MTech Artificial Intelligence, IISC Bangalore (2022)

TECHNICAL SKILLS

Python, TensorFlow, PyTorch, LangChain, OpenAI API, AWS, MLflow, Docker
